

Albany

Portable Bluetooth Speaker

MyVQ.com

Albany

Albany, designed by VQ, is a premium portable Bluetooth speaker which means you can enjoy your music anywhere on the go, with superior audio quality and an extended battery life.

Lightweight and compact, Albany, offers the flexibility to connect any; phone, tablet, MP3 player or other smart device wirelessly, with a range of circa 10m. Once connected you can stream music or other content and enjoy room filling sound with enhanced acoustic performance.

Whatever you choose to listen to on your, Albany, you'll enjoy premium acoustics and true stereo sound with the dual ultra-wide full range speaker drivers which deliver 3 Watts each for a total 6 Watts RMS output.

The battery life of a portable Bluetooth speaker is one of the key indicators of quality and Albany benefits from a 2,000mAh rechargeable lithium-ion built-in battery which will deliver 10 hours of listening between charges when used at full power or an incredible 36hrs when used at half volume. This means it's ideal for evenings in the garden or even extended weekend breaks when you're going to be away from mains power but still want to enjoy your own playlists.

Albany couldn't be simpler to use with easy-to-use Bluetooth pairing and tactile controls on the top panel to adjust volume and even skip tracks so you can keep your phone or other device in your pocket. For added convenience Albany features a handy carry strap which can of course also be used to attach the speaker to your bag while traveling.

Albany features a premium design so even when not in use it is a design statement around your home with a tactile fabric front fascia sympathetically matched to a wood effect top panel and matte rubberised rear case.
