Hepburn^{Mk II}

The VQ Hepburn Mk II DAB/DAB+ Digital Radio & Bluetooth speaker is a perfect balance of retro good looks and modern functionality. A vintage style digital radio wrapped in premium leatherette with a choice of vibrant colours and designer prints.

The comprehensive radio functionality on Hepburn Mk II gives access to the full spectrum of DAB / DAB+ Digital radio stations alongside traditional FM radio broadcasts. This means you can listen to all your favourite stations from your national, commercial or local broadcasters and save them to one of sixty available presets. If you've never tried digital radio before, now's the time with better coverage and more stations than ever before, it couldn't be easier to find stations as they're all listed alphabetically making it easy to find your old favourites or discover new digital only services.

There's so much choice when it comes to digital radio it seems hard to believe you could ever tire of it, but if it is time to listen to some of your own music, you'll be glad to know Hepburn Mk II also features a Bluetooth connection. The wireless Bluetooth connection means you can use Hepburn Mk II as a speaker to stream content from your phone, tablet or any other smart device. So via Hepburn Mk II you can enjoy music from the likes of; Apple Music, Deezer and Spotify, Audio Books from the likes of; Audible and even Podcasts from Acast and iTunes. Most conveniently of all, Hepburn Mk II even features a USB charge port so you can charge your phone/tablet as you stream.

No matter what you listen to, it will sound fantastic with the dual ultra-wide full range 10W stereo speakers, giving a room-filling 20W total output. You even have the opportunity to tailor the sound to your own personal taste with the comprehensive MyEQ equaliser function with a range of 6 presets or independent bass and treble control. Sound is entirely personal and subjective so this comprehensive equaliser means you can tailor the radio to your own tastes or for different music genres.
